MAKING MOMENTS INTO MEMORIES WITH
JULIANNA MICHELLE PHOTOGRAPHY
REVISED 2024

hello there

Thank you for considering JMP for your photography needs!

I am so excited you are here! I am Julianna, I am a mom of 4 beautiful kiddos, and wife to my amazing husband Tyler. We are Potter heads & I am 100% a Disney kid at heart. I am certainly an artsy gal. Crafting, building, painting, dancing... you name it! When I'm not behind the camera, you can find me on the beach, bowling lanes or the soccer field! My favorite thing about being a photographer is being a storyteller. Imagine in one fraction of a second I am able to capture a moment, a memory, a story... worth a thousand words.

A memory to last a lifetime.

that's me!

I love being able to capture memories, letting them unfold naturally. I don't have one specific style because I love being able to tell YOUR story, true to you & your lifestyle! I LOVE being able to capture your special milestones through the years, however big or small.

It's the memories within the moments.

let's talk
details...

Questions

Where will we take photos?

The studio is always open! I also have a few favorite local spots to choose throughout the year so we will be sure to find the perfect spot!

We've never had pictures and my husband hates the camera, will you help?

"We're awkward" is a phrase I hear frequently, but never fear I GOT YOU. I have a few tricks to keep the session flowing & to capture those natural smiles!

When and how do we pay?

Payment is due at the time of your session. Cash/check or online payments are accepted. (taxes + fees may apply)

What if the weather doesn't cooperate on our scheduled date?

No worries! We can always reschedule if need be, but I am always game for shooting in the rain!

How do we get our photos?

I have an online gallery, I will send you the link and password, you can view your online gallery and choose & download your favorite photos directly from your album!

We just had our photos taken, when should we expect them back?

Typically my turn around time is 2weeks, however during busy season it may take up to 30days to receive your final gallery.

I always try to keep our sessions fun and memorable! We will interact and laugh to capture those natural candid moments as well as capturing a few classic portraits!

i can't wait!
